

CAREER ENRICHMENT NETWORK

The Career Enrichment Network empowers Liberal Arts students to explore, engage, and define their career journey through diverse career development opportunities. Students can meet with a career coach to explore careers, internships, education abroad, research, the Liberal Arts Alumni Mentor Program, and more. Through donor support, the Career Enrichment Network provides Liberal Arts students the opportunity to apply for funding to help support participation in many of these experiences.

The Office of Equity, Inclusion, and Diversity supports the success of the traditionally underrepresented students in higher education. The office serves as a collaborative link with other University partners to support student success. The office helps students get involved through student organizations, research opportunities, education abroad experiences, and more.

BECAUSE
SUCCESS IS
ACHIEVED

WITH A LITTLE
SUPPORT
ALONG THE WAY

Liberal Arts is a community of people with a genuine interest in developing long-standing relationships that help students succeed before and after they graduate. With this goal in mind,

LIBERAL ARTS STUDENT SERVICES

connect students with the resources and opportunities they need to be successful, all in one centralized location on campus.

ACADEMIC ADVISING

Academic Advising supports student success through a combination of in-person and virtual advising meetings. Students are encouraged to meet with their adviser at least once a semester to discuss courses, degree progress, education abroad, and more. Students can also meet with a peer adviser or the academic recovery specialist.

The Paterno Fellows Program is an innovative program offered jointly by the College of the Liberal Arts and Schreyer Honors College that encourages students to challenge themselves academically and distinguish themselves in areas traditionally associated with the liberal arts—ethics, service, and leadership; excellence in communication; and intercultural awareness.

PATERNO FELLOWS PROGRAM

CHAIKEN CENTER FOR STUDENT SUCCESS

The Chaiken Center for Student Success connects and guides students to the right resources and support they need—when they need it—in their academic journey. The Chaiken Center is a built-in community designed specifically for Liberal Arts students to connect to peers, support staff, and others providing resource information and friendly networking opportunities crucial to their college success.

Providing access and helping you afford your Penn State education are top priorities for the University and the College of the Liberal Arts. Thanks to the generosity of Liberal Arts alumni and friends, the college offers many need-based scholarships for students with at least one Liberal Arts undergraduate major enrolled at Penn State University Park.
