**August 6, 2013**

**Members Present**

**Community Impact**

- Amanda read a letter she received from Tom McKee, President of the Centre County United Way Board of Directors, regarding recent news of misuse of funds by the former Director of Finance, in which we are assured that steps are being taken to prevent such an occurrence from ever happening again.

**Office Olympics**

- **Game Day, August 13**
  - Amanda will arrive at 1:00. Any volunteers who can help set up at that time would be appreciated.
  - Volunteers are assigned to cover each of the five games, the scoreboard, and photography. We still need a bullhorn!
  - The Dean's Ice Cream Social will begin ½ hour earlier than originally planned (now 2–4:00) so teams will have time to get their ice cream.
  - Opening Ceremonies are set for 3:00, and Closing Ceremonies are targeted for 4:10. Ashear Barr from the Centre County United Way, and Kathleen Zdenek from Easter Seals will be featured speakers before and after the games.
  - Email reminders will be sent to all teams with their instructions, and to all LA faculty and staff to come out and support the games and enjoy the Ice Cream Social.
- All who were present at the meeting helped to assemble gold, silver, and bronze medals for each of the five games.

**Upcoming Meetings**

- **Next Regular Monthly Meeting:** Tuesday, September 3, 9:00 a.m., 114 Sparks Building
