Office Olympics

- Members experimented with dropping various office supplies into containers to create a new Office Olympics game.
- Barb gave a progress report. Based on Amanda's templates from last year's games, we are in good shape! Barb will continue to follow templates to update teams and volunteers on next steps.
- Amy reported that she has raised approximately \$1,000 from snack sales, but her area does not have an Office Olympics team, so she will make a general donation. Some of her funds will be put toward the holiday raffle and will be attributed to the Department of Sociology.

Website

- Sherri pointed out that Amanda is still listed as Committee Chair on our website. Barb will update.
