

Communication Arts and Sciences

MEET CORY

Cory is a Paterno Fellow and Schreyer Scholar majoring in Communication Arts and Sciences and Labor and Employment Relations.

In addition to being a member of the Presidential Leadership Academy, Cory is a graduate teaching fellow and a research assistant. He traveled to six different countries throughout his college experience.

During his first year at Penn State, Cory had an idea to help other first-generation college students like himself through a peer-to-peer mentoring program. This idea blossomed into an organization called F.O.R.M. Consulting, which stands for Future Opportunities Reached by Mentor. In its early stages, Cory took the lead as president of the organization, which involved setting up the organization's structure, membership, and adviser.
